

Updated 01/3/2012

3. Describe the current land use(s). Include any forestry, recreational and agricultural activities that are ongoing, and any other uses you observed on your visit: *The conservation easement property remains in its natural state.*

4. List man-made alterations observed (i.e. construction, dredging, filling, timber harvest, clearing of fields, etc.). Describe the activity or alteration, noting the extent, location, purpose and individual responsible, if known. Take rough measurements of the scope of the activity and attach maps, photographs, and illustrations if possible. *None observed.*

5. Describe any boundaries or corners that are not clear on the survey map or on the land itself (include a map or drawing as reference if necessary). *None*

Is the property (CIRCLE one): In Compliance or Not In Compliance

Please indicate any attachments to this report. Be sure to sign and date all materials, and provide a description and map showing where on-site photographs were taken or illustrations were made.
